

# HP Everyday Matte Polypropylene, 2 Pack

## The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide uncompromising image quality, reliability, and consistency—with every print.

## Print durable, high-impact signs

### Produce high-impact signs with vibrant color

Produce retail and POP signage and event displays with vibrant color and eye-catching image quality. This matte polypropylene provides excellent versatility and value across a wide range of indoor and outdoor applications.

### Print, use, handle, and laminate with ease

Maintain peak productivity. HP Everyday Matte Polypropylene is easy to use and handle, whether you're doing a quick print run or large production runs. Post-print processing is smooth and easy with this tear-resistant<sup>1</sup> substrate.

### Do more, and print with the environment in mind

Offer a wide range of applications from presentations, banners, and displays to photo enlargements—and help meet the environmental objectives of your company and your clients—with this versatile, printing material that is eligible for return through the HP Large Format Media take-back program.<sup>2</sup> HP Everyday Matte Polypropylene is REACH compliant<sup>3</sup>—a regulation of the European Union adopted to improve the protection of human health and the environment from risks that can be posed by chemicals.

Target customers	Applications	Benefits
Print service providers	POP/POS signs	High-impact image quality at an economical price
Retail store in-house printing	Retail displays	Tear resistance <sup>1</sup> for easier handling
Event designers	Event and trade show displays	Compatible with Original HP pigment- and dye-based inks for HP DesignJet printers
Advertising agencies	Posters and presentations	Eligible for return through the HP Large Format Media take-back program <sup>2</sup>
Geographic Information Systems (GIS)	Banners	REACH compliant <sup>3</sup>
Government (printing maps)

-----------------	---

<sup>1</sup> Tear resistant as compared to paper products.

<sup>2</sup> HP Large Format Media take-back program may not be available in all countries. To request a shipping label, see [hp.com/recycle](https://hp.com/recycle) for details.

<sup>3</sup> Based on HP internal analysis, May 2023, this product does not contain any of the chemicals on the EU's Candidate List for Authorization (otherwise known as Substances of Very High Concern) in concentrations exceeding 0.1%. To determine the status of SVHC in HP products, see the HP REACH Article 33 Declaration published at [HP.Printing.Products.and.Consumable.Supplies](https://HP.Printing.Products.and.Consumable.Supplies). Logo source: Copyright European Chemicals Agency.

<sup>4</sup> Based on testing HP media printed with Original HP inks using a 3-mil vinyl film laminate that contains a water-based acrylic pressure-sensitive adhesive and a 3-mil vinyl film laminate that contains a solvent acrylic pressure-sensitive adhesive—the formulations of which HP believes represent the majority of cold film laminates that are commercially available based on historical testing. Films without the above-mentioned formulations may not be compatible.
