

# HP Universal Heavyweight Coated Paper

## The HP DesignJet printing system—the complete solution

HP DesignJet printers, Original HP inks and printheads, and Original HP large format printing materials are designed to work together as a system to provide reliable, consistent results with every print.

## Accomplish more with consistent results every time

Look to this economical, recyclable<sup>1</sup>, and FSC®-certified<sup>3</sup> printing material, ideal for a variety of medium ink-density graphics and technical applications including presentations, indoor signs, and posters that are frequently replaced. From working comps and design proofs to POP signage and special event posters, see high-quality, consistent image quality print to print and roll to roll.

## Make the economical choice for everyday prints

Meet your everyday printing needs and enjoy consistent, high-quality results with this economical heavyweight matte coated paper.

## Add flexibility—this paper is FSC®-certified

Use this high-quality printing material across a broad range of HP DesignJet printers. And get added flexibility with this recyclable, FSC®-certified paper that supports the development of responsible forest management worldwide.

Target customers	Applications	Benefits
Architects	Posters and presentations	Consistent, high-quality results
Engineers	POP and retail displays	Cost-effective for everyday use
Geographic Information Systems (GIS) professionals	Geographic Information Systems (GIS)	Broad HP DesignJet printer compatibility <sup>2</sup>
Graphic designers	Architecture (AEC) and engineering (MCAD)	FSC®-certified paper
Print service providers	Architecture (AEC)	Recyclable through commonly available programs
Geographic Information Systems (GIS) professionals	Engineering (CAD)	1+ years unlaminated in-window, 200+ years indoor display permanence
Architects		Compatible with both Original HP dye- and pigment-based inks

## Technical specifications
