1   HP Large Format Media take-back program availability varies. Recycling programs may not exist in your area. See HPLFMedia.com/hp/ecosolutions for details.

2   Compatibility with HP DesignJet printers requires 3-in core adapter.

Print durable, high-impact signs

Deliver high-quality, economical prints

Produce cost-effective, tear-resistant prints with excellent versatility and value for a wide range of applications. You get durable performance without trading off brilliant color and edge definition.

Do more, and print with the environment in mind

Offer a wide range of applications from presentations to banners and displays—and help meet the environmental objectives of your company and your clients—with this versatile, recyclable[1] HP printing material.

Offer long-lasting prints

This sturdy, opaque material is tear-resistant and able to stand up to harsh conditions.

Target customers	Applications	Benefits
Print service providers	Trade show and event displays	Economical and versatile
Sign shops	Posters and presentations	Excellent opacity and optical density
Graphic designers	POP and retail displays	Sturdy, tear-resistant prints
	Banners	Fast dry time
		Recyclable through the HP Large Format Media take-back program[1]
		Compatible with HP PageWide XL and HP DesignJet printers[2]
